

## Arise / Alive

### **Verse 1**

You pick up the pieces of our broken lives  
You breathe in healing and You say arise  
Up from the grave I see Your face  
I come alive inside Your grace  
Caught in Your smile, locked in Your gaze  
Your radiant beauty leaves me amazed  
Lost in wonder, I bow down in awe  
My God You've brought me in and now I'm free to soar

### **Chorus**

You bring me to life  
And I can soar in Your joy  
You bring me to life  
And I can rest in Your peace  
You bring me to life  
Where my body's made whole  
You bring me to life  
Bringing calm to the storms

### **Verse 2**

You take my story, You take my song  
Weaving a family, making us one  
No longer orphans we're daughters and sons  
Each of us a thread in Your tapestry of love
